

## Photography / Film Agreement - *Breech Birth Network CIC, breechbirth.org.uk*

Before the birth (if possible)

I agree that my birth may be filmed / photographed

Please  
initial

I understand that after the birth, I will receive a copy of the film or photography footage and will be able to make an informed decision at that time about whether / how I would like the footage to be used

Mother's Name: \_\_\_\_\_ Signature: \_\_\_\_\_ Date: \_\_\_\_\_

After the birth – Please **initial** the level(s) of sharing you feel comfortable with. You can draw an X through the box if you do not want your birth images shared at that level, and/or cross through the statement.

Please  
initial

I agree that the film / photography footage of my birth can be used for research, illustration and/or teaching purposes to medical / midwifery audiences. (Limited, strictly controlled access)

I agree that the film / photography footage of my birth can be used in print or subscription access on-line professional journals/forum/DVD for teaching purposes.

I agree that the film / photography footage of my birth can be used on-line **publicly** for teaching purposes. (Can be viewed on-line by members of the public, e.g. women or others who wish to see breech births.)

Mother's Name: \_\_\_\_\_ Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Obstetrician/Midwife: \_\_\_\_\_ Signature: \_\_\_\_\_ Date: \_\_\_\_\_

## Further details:

Name and contact information of the birthing person (if not available, please supply a copy of the consent you have to share the video):

Name and contact information of the midwife/doctor (if not supplied, we will ensure they are not identifiable, including muting voices):

## I would like the following names to be credited with the video/photographs:

Names:

None. Please ensure that the video/photographs are completely anonymised.

## Language:

We are committed to using the language you are most comfortable with to describe you. We offer a 'default' option if you have no strong feelings, but we are comfortable and eager to adopt this according to your wishes.

Mother (and variations) / woman / she / her / vagina / vulva

Please use:

**Any other instructions** (e.g. for language about the birth attendants, please edit out the person's face at 00:53, please mute the voices, etc.):
